DevOpsDays Philadelphia brings the technology community together to discuss all things DevOps. It is a place where longtime practitioners and newcomers will connect, learn and share experiences.

Sponsorship of this conference raises an organization's visibility in the DevOps community. Other opportunities for sponsorships include a speakers' dinner, evening events and lanyards.

- **200+ practitioners and leaders from the DevOps community**

- **Universities, Healthcare, Startups, Technology, Finance**

When: Oct 24 & 25, 2017

Where: Chemical Heritage Foundation, Old City Philadelphia
